GLADIOLUS COUPON BOND Fifth Annual Issue

Gardens of Pinicon
Chas. B. Raffauf, Proprietor
Independence, Iowa

Our regular retail bulb list will be ready for distribution after January 1, 1926—but these Bond Offers are by far the best buy of the entire season.

Here we are visiting you for the fifth season and most of our friends are quite familiar with the "Gladiolus Coupon Bond" so that elaborate explanation is unnecessary. Every Coupon tells its own story and represents an unusual value.

Due to suggestions of customers, we have made a few slight changes in the make-up of coupons and have extended considerably the expiration date of bonds. Heretofore coupons became void Jan. 1st, but we have advanced this date to March 1st, and the time of shipment is left very largely with the customer. It is lots of fun to sit down and read, clip and mark coupons, but it is far more fun to unpack your order on arrival.

Read carefully each coupon and remember that term "large" means bulbs $1\frac{1}{4}$ to $2\frac{1}{2}$ inches in diameter, that medium means bulbs from $\frac{3}{4}$ to $1\frac{1}{2}$ inch, that "small" means $\frac{1}{4}$ to $\frac{3}{4}$ inch and that "bulblets" are NOT BULBS.

All shipments are PREPAID. Unless customer specifies approximate date to make shipment, we shall mail out whenever weather conditions permit. We guarantee safe arrival of all shipments, and make no substitutions.

CASH must accompany all orders. Make checks, drafts, or money orders payable to CHAS. B. RAFFAUF. Currency sent in letters not registered is at customer's own risk.

Every customer who sends an order of \$3 or more is entitled to one free package of our Sulphur Compound, but same will not be sent unless requested.

Make Selections and Clip Coupons at Earliest Possible Date to Avoid Disappointments.
